NCLB Golf Event

Calling all golfers!

Are you and your colleagues interested in playing a round of golf with a Pro golfer, while also supporting a great local cause?

No Child Left Behind is a local partnership project aimed at tackling the effects of childhood adversity, including child poverty. To date almost 70 organisations in Cheltenham, from every sector, have signed the NCLB Community Agreement and pledged their commitment to working in a way that understands and supports families facing struggles.

The NCLB golf event, brought to you by community partners Sorted Global CIC, invites you and your colleagues or friends to form a team and join a pro golfer at the beautiful Cleeve Hill Golf Club for a fun day of golf and networking.

Your team will be welcomed in the morning with refreshments and a breakfast butty before heading out for a shotgun start.

On return to the club house you will be treated to a demonstration from PGA Pro and trick shot artist Jeremy Dale before a two course lunch buffet by event caterers Flynn's On The Hill.

The winning team will take away tickets for a free day at the Races, courtesy of Cheltenham Racecourse - The Jockey Club

How to enter

Registration costs £595.00 per team of three. All profits from this event will go to No Child Left Behind to enable us to continue working with partners around the town to create opportunities for all children to thrive.

To enter a team click on the link below to register. Only one person per team need do this. We will then send you a booking form

Sponsor a hole

If you would like to support the event but are unable to attend with a team, why not consider sponsoring a hole for the day?

We are looking for 18 x hole sponsors who will have an opportunity to display their company logo at their chosen hole.

This will reach our amateur players from organisations around our county and will feature in the programme for the day.

This is a great opportunity to highlight your support for a great local cause supporting children and families, while also fulfilling your organisation's CSR goals.
