CAN YOU SUPPORT NCLB WITH THE BIGGEST FREE EVENT OF THE SUMMER?

What is No Child Left Behind (NCLB)?

No Child Left Behind is a not-for-profit, council-run project that aims to support children and young people from Cheltenham that are growing up facing challenges caused by poverty and trauma.

As part of our work, we facilitate a fantastic growing community of **over 90 local organisations** from the private, public and business sectors, all pledging to work together in a way that better supports them to overcome the challenges they face.

Since summer 2021 we have provided over **5,100 food parcels** and distributed **200 laptops for learning** to children and young people across Cheltenham.

We also run free events such as the NCLB Awards, The Cheltenham Children's Festival and other family fun days which have reached **over 8000 children** and their families since May 2022!

Why support Party in the Park?

Research has shown that one of the biggest challenges facing families in the cost of living situation is around finding affordable days out for their children where they can meet new friends, explore new opportunities and have great fun.

This Summer, we are expecting **approximately 4000 children** and their families to attend Pittville Park on **2nd August** between **10am-5pm** for the second **No Child Left Behind - Party in the Park**.

The day will be themed around the Paris Olympics 2024 and will include a diverse range of **FREE** opportunities for children including sports, circus skills, live music, inflatables and lots more!

By choosing to support the event, you will be tagged in our social media posts, mentioned on our website and given the chance to display your organisation's flag or banner on the day!

1. Financial Contributions

The Main Stage

The event will provide a rare platform for local children and young people to showcase their talents in music, dance and drama on our main stage! £2000 will ensure we can provide this amazing opportunity for them!

The Big Top

We will be delivering circus skills workshops and entertainment throughout the day. For £1000 you will enable us to provide this exciting activity!

Alternative Sports Area

We will be delivering the most diverse range of sporting activities we have ever had at an event! Scooting, skating, climbing and much more will be available in our 'Alternative Sports Area'! Could you sponsor one of these activities for either £500 or £1000?

Accessoloo

Ensuring our events are accessible to those with additional needs is vital to us, and to do this we will need to hire a fully functional disabled toilet, for which we are asking for a £400 contribution.

Inflatables

We are asking for a £300 contribution towards a range of inflatables such as bouncy castles, obstacle courses and more!

2. Other Contributions

We are looking for the following items and/or donations to run the event smoothly. Please get in touch if you can support with:
